HANDY LIDS

Bottom lid:

1. Patent Pending 3-in-1 Lid: With different beverages come different ways to drink them and Golchi has that covered too with its "Patent Pending Controlled Flow Mechanism". Adjust the size of the drinking spout for choice of beverage. Make the spout small for hot beverages or enlarge for cold drinks.

2. Magnetic Lock Mechanism in the bottom lid prevents the cover of the lid from falling back on your nose, letting you enjoy your drink unobstructed! We understand that convenience matters.

Top lid:

1. Collapsible handle – Ergonomically designed collapsible handle makes Golchi even more portable. The chrome finish enhances the premium aesthetics of your Golchi.

2. Temperature Marker – Always lets you remember if it's a hot or a cold drink inside the bottle.
